Such recurring deficits continue to be alarming. Think of making a small sacrifice each week - a latte, bringing lunch instead of eating out, half a pack of cigarettes a week (better for your health), or any other money saving gesture - and putting that savings into your week-end envelope. It might seem trivial, but every little effort mounts up. It also is a good means to practice some simple penance and self-denial. God will definitely bless you for it. Please keep up with your weekly giving. Thank you for supporting our Parish.
