ONE GOAL | Multiple Pathways

Equity is Access, Not Sameness

At St. Bernadette Catholic Academy, we believe equity means giving every child access to excellence, not giving every child the same thing.

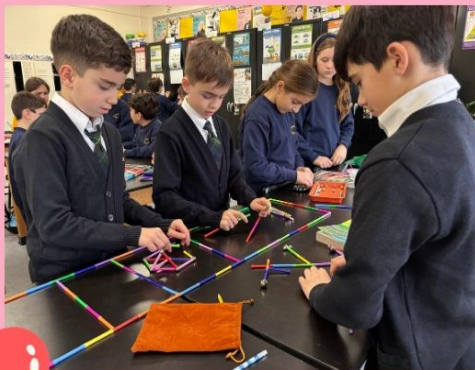

When instruction is one size fits all, some students fall behind while others disengage. Our teachers intentionally differentiate instruction so all students are challenged and supported.

We have:

- *The same high standards for all
- *Different supports to access learning
- *Opportunities to deepen and extend thinking
